ÍMMERSÍON SPACE	To welcome the visitors, they will start their journey through the citizen's Village inside this place with data and information from all over the space.
WATER SPRINGS AVENUE	This corridor will present all the videos from the film festival 'citizens voice' and will be the gateway for visitors to the citizen Village.
ARENA OF WATERS	For 300 people will host conferences, presentations and talk shows with national and international guests. The arena will be a meeting point, favoring dialogue and interaction between participants from various areas of the 8th Forum.
CÍTIZEN CÍNEMA	The cinema will have an exhibition room for movies for adults and children. Several national and international films will be screened involving water theme.
SOLUTÍONS MARKET	Will present 60 individual or community experiences from around the world, all related to good practices in water use. The idea is that visitors understand they can replicate the initiatives or create their own solutions.
WORKSHOP ROOM - WATERS ÍN MOTÍON	The knowledge and talks exchanges will be concentrated in this Dialogue Room with various formations and actors of all sectors.
BANDSTAND WATER SQUARE	For this public square, visitors will have a spontaneous stage with open and co-creative activities, in addition to a previous schedule, the coreto will also be a space for the citizen (s) to express their understandings and feelings for the water.
GREEN NATÍON GALERY	This area is the space where the water and environmental themes will be united and people can relate them to their daily lives. It will have an educational and interactive character with immersive scenarios, for visitors of all ages.
BRASÍLIA SPACE	Will feature a wide range of activities to introduce the country's capital, host city of the 8th World Water Forum.
CRÍANÇA CADANGA SPACE	The children's public is the most awaited in the citizen's Village and in this space they will learn and play with water.
